ABOUT THE AMICE CONGRESS

The AMICE Congress is a unique gathering of CEOs and senior management from Europe's mutual and cooperative insurance community.

Since its launch sixteen years ago, the AMICE Congress has become the most important event at which European mutual and cooperative insurers, their trading partners and EU policymakers congregate to discuss the latest regulatory, legislative and international developments influencing their business.

Delegates include key figures from economic and political circles and senior executives from trade associations, civil society groups and other financial institutions, resulting in an exceptional conference of industry leaders and influencers.

We are delighted that the AMICE Congress returns as an in-person event this year, taking place on 08-10 June 2022 in Wiesbaden and Mainz, Germany.

This 8th AMICE Congress is a particularly special event as we will also celebrate the centenary of the Congress host for this edition, R+V.

The AMICE Congress is the leading European mutual/cooperative insurance industry event, a trusted platform bringing colleagues together from across Europe. This year it will be especially important for us to meet once again face-to-face, to reconnect and renew our acquaintances, and to discuss the challenges facing our industry.

Our theme is "The Art of Resilience". We will explore the challenge and opportunities of bouncing forward, and examine the enduring resilience of the mutual model.
