- 14.30 – 14.45 **Welcome** and presentation of hosting company, Ann **Sommer**, Managing Director Non-life, Länsförsäkringar

Session 1: Market conditions

- 14.45 – 15.30 Presentation: Johannes **Bender**, Director, S&P Global
- “Abundant capacity” – good for the buyer or bad for the market?
 - The reinsurance cycle – does it still exist?
 - Capital – sources, applications and pressures
 - What does the constant M&A activity mean for cedants?
- 15.30 – 16.00 Discussions in break out groups
- 16.00 – 16.15 Report back & plenary discussion
- 16.15 – 16.45 *Coffee Break*

Session 2: The geopolitical landscape in Europe

Barriers to business, especially cross-border, including Brexit and protectionism...

- 16.45 – 17.30 Presentation: Adrian **Ladbury**, Editorial Director, Commercial Risk
- Reinsurance has often been described as one of the earliest global industries. What are the current trends in market access that are supporting or contradicting this status?
 - How does the global nature of reinsurance assist local insurers?
 - US-UK bilateral agreement: a blueprint for other bilateral arrangements or does the IAIS MMoU (Multilateral Memorandum of Understanding) programme trump this structure?
- 17.30 – 18.00 Discussions in break out groups
- 18.00 – 18.15 Report back, plenary discussion & closing
- 18.30 *Transfer from Länsförsäkringar to Abba Museum*
- 19.00 – 21.30 *Visit and Dinner, ABBA museum (Djurgårdsvägen 68, 115 21 Stockholm)*
